

How do I create an account on Currently?

Creating your account on Currently is super simple — just a few taps and you're in!

Getting started with Currently is fast, easy, and free! Here's your step-by-step guide to setting up your account and jumping into real-time sharing:

Step 1: Download the App

- Head to the App Store (iOS) or Google Play Store (Android).
 - Search for “Currently – Share Live Moments”.
 - Tap Install or Get to download the app.
-

Step 2: Open & Begin Registration

1. Launch the app.
2. Tap “Sign Up”.

You’ll have two main ways to register:

- Phone Number:
 - o Enter your number → receive an SMS verification code → input the code to confirm.
- Email:
 - o Enter your email → receive a verification link or code → verify to continue.

Both methods help us keep Currently real and secure.

Step 3: Set Up Your Profile

Once verified, you’ll be invited to build your first impression:

- Profile Photo – Choose a clear, friendly image of you
- Display Name – Use the name you’re comfortable being known by

- Username – Unique handle (e.g., @AdventureAlex) — try to keep it short, memorable, and easy to type
 - Bio (optional) – Share a quick sentence about who you are or what you're into
-

Step 4: Choose What You Care About

Customize your experience by selecting:

- Favorite activities – Pick things you do often (e.g., Running, Cooking, Gaming)
- Preferred locations or interests – Choose to help tailor suggestions and initial content

This helps Currently recommend the right people and moments for you.

Step 5: Invite Friends or Follow Creators

- When prompted, you can invite contacts via your phone or email.
 - You can skip this and explore on your own — no pressure!
-

Step 6: Get Started Sharing

Now that you're set up, explore and post your first moment:

- Tap the '+' button
 - Capture a live photo or video, pick an activity, tag a location, or add a caption
 - Hit Post — and you're LIVE!
-
