

How Do I Like and Comment on Moments?

Interacting with Moments is the best way to show you're here, real, and engaged — and it helps build real connections.

How to Like a Moment

1. Tap on any Moment in your feed or profile
2. You'll see a heart icon below the post
3. Tap the heart once to like it
4. The heart turns red and the like count increases!

You can like:

- ☐ Text posts
- ☐ Photos
- ☐ Videos
- ☐ Even Moments from people you don't follow yet!

You can always tap again to remove your like if needed.

How to Comment on a Moment

1. Open a Moment by tapping on it
2. Tap the comment icon below the post
3. Type your comment and hit Send
4. Your comment will appear under the Moment instantly!

You can comment on your own Moments or anyone else's

The person will be notified when you leave a comment

Comments are public — keep them friendly, fun, and respectful.

Why Like & Comment?

- ☐ Boosts your engagement badge progress
- ☐ Helps build your streak-friendly community

- Makes other users feel seen and appreciated
- Brings more activity to your own profile

Can I Delete My Comment?

Yes! Just tap and hold your comment → select Delete

(Only you can delete your own comments.)
