

How Do I Add a Profile Photo or Cover Photo?

Whether you're just starting out or want to refresh your vibe, here's how to add or update them in seconds.

Your profile photo and cover photo are the first things people see — they help express who you are and make your profile more recognizable and engaging.

Step 1: Go to Your Profile

1. Open the Currently app
2. Tap your profile icon (bottom right corner)
3. On your profile screen, tap the Edit Profile button

Step 2: Add or Change Your Profile Photo

1. Tap the Profile Photo circle
2. Choose one of the following:
 - ☐ Take a photo using your camera
 - ☐ Upload a photo from your device (if gallery access is allowed)
3. Adjust the crop or position if needed
4. Tap Save or ✓ to confirm

Use a clear, front-facing photo so people can easily recognize you.

Step 3: Add or Change Your Cover Photo

1. In the same Edit Profile screen, tap the Cover Photo section
2. Select an image from your device or take a new one
3. Resize, crop, or reposition if prompted
4. Tap Save or ✓ to apply changes

Choose a photo that represents your vibe — travel, hobbies, mood, or anything personal.

Why It Matters

- A good profile photo builds trust and recognition
- A unique cover photo helps your profile stand out
- People are more likely to follow and engage with profiles that feel *real and personal*

Guidelines & Tips

- Use only your own images (no celebrities, brands, or misleading photos)
- Avoid nudity, offensive content, or anything against the Community Guidelines
- Keep it clear, well-lit, and expressive of *you*
