

How Can I Personalize My Currently Profile? Here's how to make your profile stand out: Your Currently profile is your real-time identity — where people discover who you are, what you're up to, and what you care about. Personalizing it not only makes it more *you*, but also helps others connect with your vibe instantly.

1. Add or Change Your Profile Photo

1. Open the Currently app
2. Go to your Profile (bottom right)
3. Tap on your Profile Picture
4. Choose "Take a Selfie" or "Upload from Gallery"
5. Adjust and confirm

A real profile photo is compulsory on Currently — no fake images or avatars allowed.

2. Add or Update Your Cover Photo

1. On your profile, tap the Cover Photo area
2. Select an image from your gallery
3. Crop and adjust as needed
4. Save changes

Pro Tip: Use a wide, vibrant image that reflects your style, vibe, or interests.

3. Update Your Display Name & Username

1. Go to your Profile → Settings
2. Tap Edit Profile
3. Enter your Display Name (what people see)

4. Edit your Username (your unique @handle)

Your username must be unique — it helps others find you via search.

4. Write a Catchy Bio

1. In Edit Profile, find the Bio section
2. Add a short intro about yourself — hobbies, profession, fun facts
3. Keep it real, personal, and engaging
4. Tap Save

Example: *“Coffee, code & check-ins. Living life moment by moment.”*

5. Add Your City or Location (Optional)

1. In Edit Profile, add your current city
 2. Helps others in your area discover and connect with you
