

How Do I Follow Someone?

Here's how to follow someone in just a few taps:

Following someone on Currently lets you see their real-time moments, activities, and check-ins. It's the easiest way to stay connected with people you know — or discover new ones who vibe like you.

Step-by-Step: How to Follow Someone

Option 1: From a Moment

1. See a moment you like?
2. Tap on the user's name or profile photo
3. On their profile, tap the "Follow" button

Option 2: Using Search

1. Tap the Search icon
2. Enter the user's name or username
3. Tap on their profile → Tap "Follow"

Option 3: From the Map

1. Tap a pin on the Map to view who's there
2. Tap on the user's profile
3. Hit "Follow" to stay connected

What Happens When You Follow Someone?

Account Type	What You'll See
Public Profile	Instantly start seeing their moments
Private Profile	Your request is sent — they must approve it

Once you follow someone:

- Their public or approved moments will appear in your feed
- You may also get notified when they post (if you Subscribe)

How to Unfollow Someone

Changed your mind?

1. Visit their profile
2. Tap the “Following” button
3. Confirm to Unfollow

They won’t be notified, and you can follow again anytime.

Summary

Action	Result
Tap “Follow”	Connect with real-time moments from others
Private account	Request must be approved
Unfollow anytime	Fully in your control — no notification sent
