

What Types of Moments Can I Share on Currently? Here's a breakdown of the different types of moments you can share:

On Currently, a *Moment* is more than just a post — it's a real, unfiltered snapshot of your life *right now*.

Whether you're doing something exciting, chill, productive, social, or just being yourself — every moment counts.

### 1. Photo or Video Moments (*Real-time only*)

Capture what's happening in your world — right now.

- Take a live photo or record a quick video directly in the app.
- No gallery uploads, no filters — just the *raw, authentic you*.

Examples: Snapping your favorite dish, capturing a sunset, filming your dance move, showing off your outfit of the day.

### 2. Activity-Based Moments

Let others know what you're doing right now by selecting an activity.

We've got hundreds of options like:

- Playing Sports
- Working or Coding
- Watching a Movie
- Shopping Chilling or
- Napping Studying or
- Reading Partying
- Eating Out

Don't see your vibe? Suggest a new activity anytime!

### 3. Location Moments (Check-In) Add

your current place to your moment:

- Cafés, gyms, malls, colleges, offices, homes — anywhere you are!

Location moments help others discover cool places and real-time hangouts nearby.

### 4. Timed Moments

Set a timer for your activity — show how long you'll be doing it.

- Going for a run for 30 mins?
- Studying for the next 2 hours?

Timed moments add a sense of "now" and urgency, making moments more engaging.

### 5. People Moments (*Tag friends or company*)

Let others know who you're with!

Tag your friends, family, colleagues, or even new people you just met.

It's the easiest way to capture and share group vibes.

### 6. Caption-Only Moments

Want to share a mood, thought, or vibe — without a photo or activity?

Use just the caption box:

- "Manifesting good vibes only "
- "Late-night thoughts hitting different..." "Too
- tired to move but too awake to sleep"

Pure expression — no camera needed.

Combine Moment Types!

You can mix and match:
